TUCSON CORVAIR ASSOCIATION

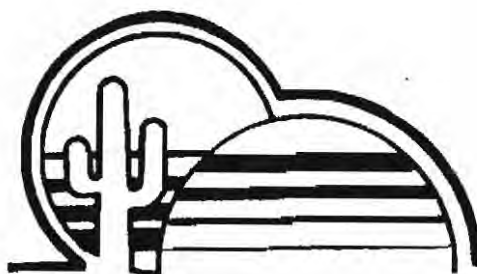

TUCSON, ARIZONA

JUNE 1985

VOLUME 11

NUMBER 3

TUCSON CORVAIR ASSOCIATION

CORVAIRSATION is a monthly publication of the TUCSON CORVAIR ASSOCIATION, which is dedicated to the preservation though restoration of the Corvair model of the Chevrolet Motor Division. The Tucson Corvair Association is a chartered member of the CORVAIR SOCIETY OF AMERICA (COSA).

MONTHLY MEETINGS are held on the 4th Wednesday of each month except December, and one technical/social event is planned for each month except July and August.

MEMBERSHIP DUES are \$10 per year payable to the TUCSON CORVAIR ASSOCIATION through the membership chairman.

COSA MEMBERSHIP DUES are \$22 per year and include a subscription to the COSA Communique, a monthly publication. Membership applications are available from either the Membership Chairman or the Treasurer.

CLASSIFIED ADS are FREE to all TCA members and are \$1.00 per line to others. The deadline for all materials submitted for publication is the 10th of the month. Mail or deliver all materials to the Corvairsation editor.

MARK'S REMARKS

The Board of Directors has decided that the Club will judge the Concours at the 1986 Phoenix Mini-Convention next April. We have 20 volunteers and still need 15 more. If you would like to help in judging let Ed Sanford know as soon as possible.

Barney's Auto Service is no longer repairing Corvairs. Several of Barney's former employees have opened their own shop, "The Boys From Barney's". They are located at 2635 N. Stone Avenue #6, phone 622-0478.

The Casa De Los Ninos Car Show will be held on Sunday, October 13th. So far we have 9 cars entered. If you would like to enter your car, let me know at the next meeting.

The TCA would like to thank Peggy and Richard Aufmuth for their donation of a turbo repair kit. Gordon Cauble found a buyer and the proceeds are now in the treasury. Peggy and Richard own and operate the Fun Stuff Sales, which specializes in Trucks, Sports Cars, RV'S and Motorcycles. See their ad in the Corvairsation for the address and phone number. If you are in the market for one of the above, drop by and talk to them.

Mark

The regular meeting of the TCA was called to order by President Mark McKenna at 7:39 PM at Picadillys Cafeteria at 6767 E. Broadway, Tucson, AZ on Wednesday, May 22, 1985.

Corvairs 14 Present 36

New members and guests were introduced.

Mark McKenna announced that he finally got an article in the newspaper telling about our meetings.

The minutes of the last meeting were approved as published in the last Corvairsation.

Mark reported on the trip to the Desert Museum on May 19th. There were 6 Corvairs, 1 misc. car, and 12 present.

Discussion was held regarding the 1986 MiniConvention in Phoenix, during the month of April. Ed Sanford has volunteered to be Concourse chairman but needs steering and help from all of us in the TCA. A sign up sheet is available and if you haven't signed up yet, please contact Ed Sanford or Mark McKenna for judging. Everyone will get training on being a judge. No experience necessary!

Dave Davis asked the members of the TCA bring their Vairs to the Casas De Los Ninos Show in October. A sign up sheet is available. If you did not sign up, please contact Mark McKenna. Our club can pick our spot - hopefully in the shade. More details later.

Dave Davis and his wife will be at our meeting on June 26th and discuss the 4% tax and will have petitions for us to sign if we wish.

Mid-month activity for June will be at the Breakers on June 23rd. Meet at McDonalds at Thorneydale and Ina at 10:00 AM - leaving at 10:30 sharp. Prices are: Adults \$5.95 - Children (4-9) \$4.50 - Under 3 Free. If we have 30 or more we will get a discount of \$1.00. It will be picnic style - no beer - no glass containers - club will provide soda and beer is available there.

We need a new merchandise chairman. Contact Mark McKenna if you are interested.

Alan Attwood announced that Cal Clark wants color pictures for a suppliment in his catalog - needs pictures of items purchased from him - he will pay \$50 per picture that he uses for his catalog. We will have another one of his shows on interior restoration during our August meeting. We now have "How to Keep Your Corvair Alive" books at the low price of \$5.50 (regular \$7.75).

Break

After break, door prizes were awarded. Donations were made by TCA and Sheri Roberts donated a latch hook. Winners were: Frank McKenna, Mac Post, Gordan Cauble, Bob Jones, Ernie Aloy and Mac Post for Lucy. Gordan Cauble announced that Barney's is no longer available. He has sold out. Most Corvair parts have been taken out to Jerry Bishops. Contact Gordan if you are in need of anything and he will advise if Jerry has it.

Slides were presented by Frank McKenna on different conventions and local trips. Board of Directors meeting May 20th at Bobs on Speedway and Swan. (7:30 -)
Meeting adjourned at 9:15 P.M. Respectfully submitted, *John*

A special thanks to Corvairs of New Mexico for this page!

BRAKE HOSES AND CYLINDERS FOR 95's -- Gary Parsley, North Texas, December 1984

Recently while trying to get a 1962 van that had been sitting in a field since 1977 back on the road, I ran into the problem of replacing brake cylinders. Fronts were no problem, but the rears were a different story.

Unless you go through one of the specialist Corvafor parts vendors, rear Corvaif van cylinders are not available. So, after doing some checking, I bought the cylinder that fits all other 1960's model Chevrolet trucks. The difference? The break hose inlet size. The Corvaif van has a 1/4" straight thread, while the other Chevy trucks have a 3/16" inverted flare.

Now, the other end of the Corvaif hose is also 3/16" inverted flare. So, another trip back to rummage through hoses. Found it! Now this cylinder should be available for years as it fits dozens of vehicles. The cost was less than that charged by the Corvaif specialists. The new parts numbers are:

Cylinders: Raybestos Nr. WC 13387

Hose: Raybestos Nr. BH 5784

FIX FOR DIRT IN YOUR CARBS by Greg Hopewell

At times dirt may get in your carbs and clog a jet. If this happens while you are driving, a fix is to first remove the air cleaner. Start the engine and find which carb is clogged. Do this by placing your palm over part of the throat of the carb. If no change in idle, that carb is clogged.

To remedy the problem, place your palm over the whole carb while running the engine. Give engine full throttle for about a second while holding your hand over the carb. This should suck the dirt out. If not, repeat until the dirt is removed and idle is normal.

I N M E M O R Y

Bryan Lynch, our former Tucson Corvair Association President, passed away on 30 May 1985. He had been battling cancer for almost a year. Bryan's contributions to our club and CORSA were many. He can be best remembered by his photo on the cover of the Communique and our recent Corvairsation. His smile was infectious and the pleasure he derived restoring his many Corvairs prompted many of our members to emulate him. Bryan was a major contributor for our annual Christmas party and true to his CB handle "The Arizona Can Man", he was the principle donator to our can fund. He will be missed by our club, CORSA and his many friends.

Desert Museum May 19, 1985

6 Corvairs

1 Misc. car

12 Present

After meeting at Pima College West we headed out to the Desert Museum and arrived around 11:00 AM. We set a time of 1:00 PM to meet at the entrance so that we could go to the picnic area close by. I'm sure we all could have stayed longer as a person could spend 4 or more hours looking at all the animals and gardens.

There is no picnicking allowed on the grounds, but there is a very attractive picnic facility right next to the museum. The only picnic table available for us did not have a covered area and because it was a very hot day we did not stay long after we all had eaten our lunch.

If you haven't been out there for awhile, try to soon. Right now there is some construction for some new beautiful settings for animals. Everything is kept clean and the plants are just now getting blooms which will soon be beautiful. Super time for the camera buff to get some very nice pictures of the flowers blooming on the cactus.

LET'S GO TO THE BREAKERS

JUNE 23rd

Meet at 10:00 AM at McDonalds on Ina and Thornydale. Leave at 10:30 sharp.....

LETS HAVE A GOOD TURNOUT!!!!!!!!!!!!!!!!!!!!

Bring your picnic lunch - club will provide the soda - beer can be purchased there - NO glass containers allowed and you cannot bring beer in.

There never is enough time at the meetings to visit and get or give tech tips. This would be a great time to get together and do just that along with having fun in the sun, water and going on the great slides offered at the Breakers.

BRING YOUR FRIENDS ALONG TOO !!!!!!!

(watch your newspaper and community newspapers for coupons for the Breakers - bring them along)

Mike

Corvair Owners WIN \$50 — \$75!

Dear Corvair Clubs,

Please inform your members that Clark's Corvair Parts, Inc. is looking for colored photos of their products — carpets, upholstery, door panels, top boots, convertible tops, reproduction trim parts and general "artistic" Corvair photos. The selected photos will be used in their January, 1986 colored supplement insert. Enthusiasts submitting winning photos will receive photo recognition and a \$50 gift certificate for one (1) photo and \$75 if two (2) are used. All photos will become the property of Clark's Corvair Parts, Inc. and will not be returned. Winners will be chosen by Joan and Cal Clark and will be chosen on:

A - Photo Quality
B - Originality

C - Color Accuracy
D - Product Representation

They expect to choose 10 - 14 winning photos. All entries must be received by October 15, 1985. Please put your name and address on each photo or slide. They will not accept ~~more~~ more than 5 photos or slides from any person. On interior products, please indicate if it was professionally installed or installed by the owner. Thank you and good luck!

Cal Clark, Jr.
