NON-MEMBERS:

We would like to invite you to join the Tucson Corvair Association. We will send you three complimentary issues of the Corvairsation and welcome you to attend all of our activities. This is a great chance to get to know us. No matter what your Corvair interests are, you'll find lots of good folk with similar interests in the Tucson Corvair Association. If you decide to join us, the dues are only \$10 per year.

From the President

I think we should feel marvelous. The Casas de los Ninos Car show was a roaring success. It has to be the greatest feeling in the world to know that you have given of yourself, your time and your assets to such a worthy cause as the Casas de los Ninos facility for abused children.

Congratulations to Steve Estabrook for volunteering to chair the event, making all those calls and putting it all together. I vote we forgive him for being, ahem!, a little late for the early morning gathering at El Con. After all, Steve works shifts. He says his biological clock malfunctioned.

We had 12 cars total, including two from Van Pershing. I saw him driving them. There were some show room class cars there. My former '65 coupe was there, which Cecil and Esther Alex acquired, finished the air conditioning system and drove 6,000 miles this summer on vacation, including Texas.

Raffle tickets sold for the '33 Ford Pickup totaled \$168.00. Larry Dandridge sold \$20.00, Steve Estabrook \$20.00, Marie Williamson \$39.00 and we sold \$92.00 at the October meeting.

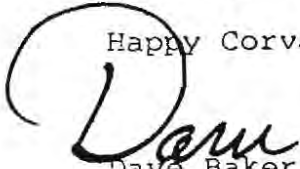

The Inland Empire Annual Fanbelt Toss and Swap Meet is coming up fast, 9th, 10th and 11th of November. Several of us plan to go. I already have my reservations.

The Christmas Party is coming up fast also. There is and will be an order blank in the Corvairsation for September, October and November. Be sure to get one filled out and mail with money to Vic Howard before the 6th of December.

Are you knowledgeable on any phase of the Corvair? If so how about volunteering to head up a tech session at the regular meeting. Ed Sanford did the job last meeting and a good job it was. His discussion was on camshafts. Didn't know there was so much to know about those things.

Our November mid-month activity will be a picnic in Madera Canyon, self contained. Meet at Valencia and the Nogales Highway, 10:30, Saturday, November the 18th.

Happy Corvairing and may your cornering be rounded.

Dave Baker
President

The regular monthly meeting of the Tucson Corvair Association was called to order at 7:45 pm by President Dave Baker on September 27, 1989 at the Picadilly Cafeteria, 6767 E. Broadway, Tucson, Arizona.

The minutes of the previous meeting were approved as printed in the Corvairsation.

Guests introduced: Frank Held, welcome back; Don Schmitt, '64 Corvair; Jim Wright, '64 Spyder Coupe - welcome home.

Guest Speaker: Rick Kurkjian along with his wife Mary Jane, spoke on the new Arizona Pro Raceway Tracks, Inc. racing facility that will be located west of the Pima County Fair Grounds.

After break, the raffle drawing was held. Jan Thompson won the license plate prize. Other winners were Don Kirkwood, Ron Allen, Bill Vaughan and Al Crispin. Larry Dandridge won the Club prize.

Ed Sanford gave a good tech talk on Corvair camshafts.

The meeting adjourned at 8:55 PM.

Respectfully submitted,

Marie Williamson

EDITOR'S NOTE:

As you will notice on the last inside page of this issue, we have a new advertiser - K & J Auto and Truck Repair. You can see that Larry Dandridge is now working on Corvairs there. You will also see that Barney Goodwin is there too, so there are all kinds of Corvair experts to call on in time of need. Also notice that they repair other makes besides Corvairs, so remember them when you have any kind of car trouble. Our other loyal advertisers are still with us as well, so please support all of them every chance you get. Our club dues have not gone up for many, many years and its because of the support these advertisers give us that help make that possible.
